LIGHTBIRD BL10

Light up, everywhere.

Lightbird BL10 is a flexible light that illuminates the darkness with endless possibilities. With four light modes and up to 25 hours of usage time, you'll have enough light to last in most situations.

The Lightbird can stand, hang, or attach to surfaces with the built-in magnet.

Additionally, it features a built-in powerbank functionality that allows you to charge your devices on the go.
