BNEFRN3 FootRest No. 3

Declaration

We hereby declare under our sole responsibility that the above mentioned products are produced from high quality materials with a long lifetime to avoid repeated environmental burdens from material synthesis, transport, and processing. The materials used are 100% recyclable after the lifetime is spent. The package is made from 100% recycled cardboard and is 100% recyclable and 100% biodegradable. The proper way to dispose of the product at the end of its service life is written in the product manual.

Material specification**FootRest No. 3**
