

Papiers Filigranés

C by Clairefontaine

Description

The C by Clairefontaine paper is a top of the range paper. It exists in two shades: brilliant white and ivory; and two surface finishes: wove and laid. The wove is a smooth paper with a silky touch. On the other hand the laid is finely lined. Your letter heads on this paper will express the elegance of your company or of your trade. It is ideal for adding value to your correspondence. It is guaranteed for use in laser and inkjet printers. Range has assorted envelopes for perfectly harmonized letters.
