

## MROS265

MediaRange Wired Optical 2-Button Hygienic Mouse with Touch-Scroll, 1.000 dpi, IP68 Protection Class (Water- and Dust Protected), Symmetrical, 1.5m Cable, White

### Precision and Comfort for Every Workstation

MediaRange offers a comprehensive selection of wired and wireless keyboards and mice, designed to meet the needs of both professional and everyday users. Whether you're looking for ergonomic solutions, compact designs, or high-performance peripherals, our products provide precision, durability, and user-friendly functionality.

From office environments to gaming setups, our keyboards and mice deliver responsive keystrokes, smooth navigation, and reliable connectivity—helping you stay productive and comfortable throughout the day.

## Reliable and Simple Navigation

Our Optical 2-Button Wired Hygienic Mouse is designed for comfort and precision, making it an ideal choice for both left- and right-handed users. Its symmetrical shape ensures a natural grip. Equipped with a 1,000 dpi optical sensor and a Touch-scroll, this mouse provides precise navigation for everyday tasks.

With a 1.5-meter cable, the mouse ensures a stable and responsive connection. Whether you're working in the office, at home, or on-the-go, this plug-and-play mouse is the perfect no-fuss solution for users who need reliable performance without any setup hassle. Our mouse has a protection class (IP68), providing water and dust protection, ensuring easy cleaning and disinfection. Built for longevity, the durable mouse buttons (left/right) are tested for over 3 million clicks –Compatible with Windows, macOS.
