Product Information

according to 1907/2006/EC

Revised : December 22, 2016
Version : 2160/1 engl.

1. TRADE NAME
STABILO® pencil 160 with eraser

2. ARTICLE NUMBER
2160/HB – 2160/05-HB
2160/2B – 2160/05-2B

3. SUPPLIER DETAILS
STABILO International GmbH
Schwanweg 1, D-90562 Heroldsberg
Further product information: info@stabilo.com or www.stabilo.com/de/faq
Emergency - Hotline: Poison Information Centre Munich Tel.: +49-89-19240

4. PHYSICAL AND SAFETY DATA
Wood-cased graphite pencil in degree of hardness HB and 2B.
Completely lacquered (petrol, yellow, blue, pink, orange) with white edge strips and colored eraser.

When stored and used properly, no hazardous reactions can be expected. In case of fire, carbon monoxide (CO), carbon dioxide (CO2) and with some colours nitric oxides (NOx) will be set free as thermal decomposition products.

When not used properly, the product may stain the skin, mucous membranes or clothing and fabrics. In some materials, the stain might be permanent.

In case of contact with the eyes, rinse out open eye thoroughly under running water for several minutes. If complaints persist, contact an ophthalmologist.

Based on the Regulation (EC) No. 1907/2006 („REACH“), this commercial product is not a hazardous substance, a hazardous mixture or a hazardous substance in an article. Therefore a Safety Data Sheet is not required according to article 31 of the REACH Regulation.

5. TRANSPORT INFORMATION
Not classified as dangerous goods with respect to the transport regulations.

6. ECOLOGICAL INFORMATION / DISPOSAL CONSIDERATIONS
The product may be added to the household waste in small quantities. Larger quantities are to be disposed of under compliance with local public authority regulations, e.g. at a suitable waste disposal site or incinerator.

The raw-materials, used in the pencil and in its lacquer, do not have environmental consequences, as they are sufficiently adsorbed in the activated sludge of sewage works and eliminated from the water. Graphite is not soluble in water. The wood, used for the manufacturing of the pencils, is a natural re-growing material from managed plantations and fully biodegradable.

7. OTHER INFORMATION
The information herein is based on our present state of knowledge and on data considered to be accurate as of the date of preparation of this Product Information and is intended to describe our products from the point of view of safety requirements. However, no warranty of representation expressed or implied is made as to the accuracy or completeness of the foregoing data and safety information. The user assumes all liability for any damage or injury resulting from the abnormal use from any failure to adhere to recommended practises or from any hazard inherent in the nature of the product. The article and its packaging materials contain no substances included on the candidate list according to article 59 (1,10) of Regulation (EC) No.1907/2006 (REACH) in a concentration above 0,1% weight by weight.
