

Litra Glow Premium Streaming Light with TrueSoft™

NATURAL SKIN TONES, RADIANT LOOK WITH TRUESOFT TECHNOLOGY

The Litra Glow premium streaming light is the fastest way to achieve professional-quality lighting for videos and streaming. Logitech's TrueSoft technology delivers balanced, full-spectrum LED light with cinematic colour accuracy for natural skin tones and a radiant look on camera. Eliminate harsh shadows with wide, soft light that flatters the subject using Litra Glow's innovative frameless diffuser.
